

Program Unit Title	Teaching Year					
	7	8	9	10	11	12
Developed ✓						
Scaffold/under development ✓						
Agricultural Technology – Stage 5						
Template			✓	✓		
Beef Cattle			✓	✓		
Worms			✓	✓		
Winter Crops - Wheat			✓	✓		
Hydroponics			✓	✓		
Summer Crops – Forage Sorghum			✓	✓		
Sheep			✓	✓		
Poultry for Eggs			✓	✓		
Olives			✓	✓		
Trees for Fruit			✓	✓		
Vegetable Production			✓	✓		
Nursery Plant Production			✓	✓		
Agriculture - Preliminary						
Template					✓	
Overview					✓	
The Farm Case Study					✓	
Plant Production					✓	
Animal Production					✓	
Agriculture - HSC						
Template						✓
Plant Production						✓
Animal Production						✓
Farm Product Study						✓
Elective 1 – Agri-food, Fibre and Fuel Technologies						✓
Elective 2 – Climate Challenge						✓
Elective 3 – Farming for the 21 st Century						✓
Computer Applications – Stage 6						
Template					✓	✓
Hardware and Software Skills					✓	✓
Graphics 1					✓	✓
Graphics 2					✓	✓
Spreadsheets 1					✓	✓
Spreadsheets 2					✓	✓
Desktop Publishing 1					✓	✓
Desktop Publishing 2					✓	✓

Program Unit Title	Teaching Year					
	7	8	9	10	11	12
Developed ✓						
Scaffold/under development ✓						
Databases					✓	✓
Communications 1					✓	✓
Communications 2					✓	✓
Multimedia 1					✓	✓
Multimedia 2					✓	✓
Design and Technology Stage 5						
Photon Factor – Minimalist Lamp Design			✓			
Shine a Light			✓			
Living Green - Sustainability			✓	✓		
Solar Boats			✓	✓		
Fold it Up						
Robotics						
Safe and Sound						
A Place in the Shade						
Storage Solutions						
Sitting Pretty						
Race and Chase						
Helicar						
Skylab						
Pewter Jewellery Project						
Money Box Project						
Amplifier Project						
Design and Technology - Preliminary						
Template					✓	
Design It! Make It!					✓	
To Market! To Market!					✓	
Designing for Our World – Child’s Play					✓	
Introduction to Designing and Production					✓	
Generic Design Brief					✓	
Design and Technology - HSC						
Template						✓
Design Trends - Evaluation						✓
Innovation – Case Study						✓
Project Design Proposal – Think Outside the Square						✓
Engineering Studies - Preliminary						
Application Module 1 – Engineering Fundamentals					✓	
Application Module 2 – Engineered Products					✓	
Application Module 3 – Building Systems					✓	
Application Module 4 – Biomedical Engineering					✓	

Program Unit Title	Teaching Year					
	7	8	9	10	11	12
Developed ✓						
Scaffold/under development ✓						
Engineering Studies - HSC						
Application Module 1 – Civil Structures						✓
Application Module 2 – Personal and Public Transport						✓
Application Module 3 – Lifting Devices						✓
Focus Module 1 – Aeronautical Engineering						✓
Focus Module 1 – Telecommunications Engineering						✓
Food Technology – Stage 5						
Food Trends – Trendy Looking Foods			✓	✓		
Food Equity – A Fair Share for All			✓	✓		
Food for Special Occasions - Celebrations			✓	✓		
Food in Australia – The Australian Way			✓			
Edible Enterprise						
Food in Australia - Around the World in Tasty Ways						
Food Selection and Health – Body Basics						
Food for Special Occasions – Let's Party						
Food Product Development – What will They Think of Next?						
Food for Special Needs – Teenagers and Food Choices						
Food Service and Catering – Are you Being Served?						
Food Technology - Preliminary						
Template					✓	
Food Availability and Selection					✓	
Food Quality					✓	
Nutrition					✓	
Food Technology - HSC						
Template						✓
The Australian Food Industry						✓
Food Manufacture						✓
Contemporary Nutrition Issues						✓
Graphics Technology – Stage 5						
Template			✓	✓		
Getting My Portfolio Started - Core Module 1			✓	✓		
Children's Toys - Core Module 1			✓	✓		
Architectural Drawing - Rural Architecture - Core Module 2			✓	✓		
Household Appliances - Core Module 2			✓	✓		
Engineered Products: A Bicycle - Core Module 2			✓	✓		
Graphic Design and Communication: Sports Images - Option Module			✓	✓		
Computer Animation - Elective Module			✓	✓		
Industrial Technology – Stage 5						
Timber: Safety			✓	✓		
Timber: Video/CD rack unit			✓	✓		

Program Unit Title	Teaching Year					
	7	8	9	10	11	12
Developed ✓						
Scaffold/under development ✓						
Timber: Nail/Screw Caddy			✓	✓		
Timber: Jewellery Box			✓	✓		
Industrial Technology - Preliminary						
Graphics Technologies					✓	
Multimedia Technologies					✓	
Timber Products and Furniture Technologies					✓	
Automotive Technologies					✓	
Electronics Technologies					✓	
Metal and Engineering Technologies					✓	
Industrial Technology - HSC						
Graphics Technologies						✓
Multimedia Technologies						✓
Timber Products and Furniture Technologies						✓
Automotive Technologies						✓
Electronics Technologies						✓
Metal and Engineering Technologies						✓
Information and Software Technology – Stage 5						
Projects and Project Development			✓	✓		
Artificial Intelligence, Simulation and Modelling			✓	✓		
Authoring and Multimedia			✓	✓		
Database Design			✓	✓		
Digital Media			✓	✓		
The Internet and Website Development			✓	✓		
Networking Systems			✓	✓		
Robotics and Automated Systems			✓	✓		
Software Development and Programming			✓	✓		
IPT - Preliminary						
A: Topic 1 - Data, Information and Information Systems					✓	
A: Topic 2 – The Impact of Information Systems					✓	
A: Topic 3 - Numerical Information Systems					✓	
A: Topic 4 – Promoting a School Event					✓	
A: Topic 5 – Making a Movie					✓	
Introduction to Information Skills and Systems					✓	
Tools for Information Processes					✓	
Developing Information Systems					✓	
IPT - HSC						
Project Management						✓
Information Systems and Databases						✓
Communication Systems						✓

Program Unit Title	Teaching Year					
	7	8	9	10	11	12
Developed ✓						
Scaffold/under development ✓						
Transaction Processing Systems						✓
Decision Support Systems						✓
Automated Manufacturing Systems						✓
Multimedia Systems						✓
SDD - Preliminary						
Concepts and Issues in the Design and Development of Software					✓	
Introduction to Software Development					✓	
Developing Software Solutions					✓	
SDD - HSC						
Development and Impact of Software Solutions						✓
Software Development Cycle						✓
Developing a Solution Package						
Programming paradigms						
The interrelationship between software and hardware						
Technology Mandatory – Stage 4						
Built Environment - Spacewise	✓	✓				
Built Environment – Place and Space	✓	✓				
Product – Lights Out	✓	✓				
Product - Toymaker	✓	✓				
Product – Feet First	✓	✓				
Product – In the Frame	✓	✓				
Product – Inspired by Me	✓	✓				
Product – Raising Chickens for Eggs	✓	✓				
Information and Communication – Food on the Net	✓	✓				
Information and Communication – Lights, Camera, Robo Action	✓	✓				
Information and Communication – Food on the Net	✓	✓				
Information and Communication – The Game is On	✓	✓				
Information and Communication – Video to Go	✓	✓				
Textiles Technology – Stage 5						
Template			✓	✓		
Sea and Sand – Textile Arts			✓	✓		
Woe I Made It! - Non-apparel accessories			✓	✓		
Like a Kaleidoscope - Furnishings			✓	✓		
Dream On - Apparel			✓	✓		
Sweet Dreams are Made of These - Apparel			✓	✓		
Patterning Peace - Textile Arts			✓	✓		
Urban Escape - Apparel			✓	✓		
Stargazing - Apparel			✓	✓		
Cheeky Chic - Apparel						
Carry a Melody – Non-apparel						

Program Unit Title	Teaching Year					
	7	8	9	10	11	12
Developed ✓						
Scaffold/under development ✓						
Textiles and Design - Preliminary						
Template					✓	
Design - Communicating as a Designer					✓	
Properties and Performance of Textiles - Deconstructing Textiles					✓	
Australian Textile, Clothing, Footwear and Allied Industries – Values and the Textile Industry					✓	
Textiles and Design - HSC						
Template						✓
Design - Colour and Culture						✓
Properties and Performance of Textiles - Textile Innovation						✓
Australian Textile, Clothing, Footwear and Allied Industries - A Sustainable Textile Industry						✓
Major Textiles Design Project
